Forewords - M.G. CERAVOLO, M. ZAMPOLINI, N. CHRISTODOULOU, W.R. FRONTERA	V
Preface - L. ÖZÇAKAR, F. FRANCHIGNONI	VIII
List of Contributors	X

SECTION 1 - INTRODUCTION

1 General Principles of Ultrasound Imaging - L. BAERGA-VARELA, F. SEPULVEDA-IRIZARRY	3
.1 Introduction	3
.2 Ultrasound Machine and Image Formation	3
.3 Obtaining an Image	5
.4 Orientation	7
.5 Artifacts	7
References	10
2 Imaging Different Tissues - A.M. ATA, Ş.Ş. ONAT, V. RICCI	11
.1 Introduction	11
.2 Skin	11
.3 Subcutaneous Tissue	12
.4 Fascia	13
.5 Muscle	13
.6 Tendon	14
.7 Ligament	14
.8 Cartilage	14
.9 Bone	16
.10 Bursa	16
.11 Nerve	16
.12 Vessel	17
References	18
3 Basic Principles of Ultrasound Guidance - M. DE MUYNCK, T. PARLEVLIT	19
.1 Introduction	19
.2 Technique	19
.3 Interventions	21
.4 Sterility	21
.5 Improving Needle Visualization	22
.6 Complications	22
.7 Training	22
References	23
4 Technologies for Needle Enhancement - A.R. SOYLU	25
.1 Introduction	25
.2 Needle Visualization	25
References	28

SECTION 2 - REGIONAL PROCEDURES

5 Peri-sutural Injections for Chronic Migraine - M. KARA, M. SEKİZKARDEŞ, A. AKINCI	31
.1 Introduction	31
.2 Anatomy	31
.3 Scanning Technique and Intervention	31
References	34
6 Upper Cervical Injections - N. AKKAYA, J. CONSTANTINO	35
.1 Introduction	35
.2 Atlanto-occipital Joint	35
.3 Atlantoaxial Joint	37
.4 Cervical Zygapophyseal (Facet) Joint	40
.5 Cervical Nerve Root	41
.6 Cervical Medial Branch and Third Occipital Nerve	44
.7 Greater Occipital Nerve	46
References	48
7 Salivary Gland Injections - S. SERRANO, E. YALÇIN	49
.1 Introduction	49
.2 Botulinum Toxin Injection	49
.3 Anatomy	50
.4 Scanning Technique	51
.5 Intervention	51
References	55
8 Lower Cervical Injections - C.Y. HUNG, K.V. CHANG	57
.1 Introduction	57
.2 Cervical Medial Branch and Facet Joint	57
.3 Greater Occipital and Third Occipital Nerves	63
.4 Cervical Nerve Root and Brachial Plexus	65
.5 Superficial Cervical Plexus	69
References	72
9 Peripheral Nerve Injections - Upper Limb - J.C. WANG, W.C.C. CHEN, D. CORACI	73
.1 Introduction	73
.2 Suprascapular Nerve	73
.3 Median Nerve - Pronator Syndrome	76
.4 Median Nerve - Carpal Tunnel Syndrome	79
.5 Ulnar Nerve - Cubital Tunnel Syndrome	83
.6 Radial - Posterior Interosseous Nerve	84
.7 Superficial Radial Nerve	86
References	88
10 Peripheral Nerve Injections - Lower Limb - W.T. WU, Y.C. HSU, H. LEW	89
.1 Introduction	89
.2 Femoral Nerve	89
.3 Saphenous Nerve	89
.4 Obturator Nerve	94
.5 Lateral Femoral Cutaneous Nerve	95
.6 Superior Gluteal Nerve	96
.7 Sciatic Nerve	97
.8 Tibial and Plantar Nerves	99
.9 Sural Nerve	103

.10 Common Peroneal Nerve	104
References	106
11 Muscle Injections for Spasticity - Upper Limb - F. TOK, M. KARA, F. KAHN, B. KAYMAK	107
.1 Introduction	107
.2 Shoulder	107
.3 Elbow	112
.4 Wrist and Hand	115
.5 Thenar Muscles	120
References	124
12 Muscle Injections for Spasticity - Lower Limb - M. KARA, F. TOK, A. PICELLI, B. KAYMAK.	125
.1 Introduction	125
.2 Hip	125
.3 Knee	129
.4 Ankle and Foot	132
References	137
13 Muscle Injections for Cervical Dystonia - E. GÜRÇAY, A. YAĞIZ ON, M.G. CERAVOLO	139
.1 Introduction	139
.2 Anatomy	139
.3 Scanning Technique	142
.4 Intervention	143
.5 Toxin Dose and Adverse Effects	149
.6 Follow-up	149
References	150
14 Intraarticular Injections - Upper Limb - M.Y. HSIAO, T.G. WANG	153
.1 Introduction	153
.2 Glenohumeral Joint	153
.3 Acromioclavicular Joint	155
.4 Elbow	156
.5 Wrist	158
.6 Fingers	160
References	162
15 Intraarticular Injections - Lower limb - C.H. WU, W.S. CHEN	163
.1 Introduction	163
.2 Hip	163
.3 Knee	165
.4 Ankle	168
References	172
16 Intraarticular Injections - Miscellaneous - T. EKİZ, F. ÜNSAL MALAS, L. ÖZÇAKAR	175
.1 Introduction	175
.2 Temporomandibular Joint	175
.3 Sternoclavicular Joint	179
References	181
17 Periarticular and Soft Tissue Injections - Upper Limb - A.B. ÇARLI, V. RICCI, L. TEKİN, D. KUMBHARE	183
.1 Introduction	183
.2 Myofascial Trigger Points	183
.3 Long Head of the Biceps Tendon	186
.4 Subacromial-Subdeltoid Bursa	189
.5 Rotator Cuff	190

.6	Lateral Epicondyle	191
.7	Medial Epicondyle	193
.8	Olecranon Bursa	195
.9	Ganglion Cysts	196
.10	Extensor Tendons at the Wrist	198
.11	Flexor Tendon Sheath/Pulley	200
	References	205
18	Periarticular and Soft Tissue Injections - Lower Limb - L. GUIRAO	207
.1	Introduction	207
.2	Greater Trochanter	207
.3	Iliopsoas Tendon and Bursa	208
.4	Hip Adductor Tendons	210
.5	Hamstring Tendons	212
.6	Iliotibial Band	214
.7	Quadriceps and Patellar Tendon	215
.8	Peripatellar Bursae	217
.9	Pes Anserine Region	218
.10	Semimembranosus - Gastrocnemius Bursa	220
.11	Achilles Tendon and Bursae	221
.12	Tendons around the Ankle	224
.13	Flexor Hallucis Longus Tendon	225
.14	Plantar Fascia	226
.15	Submetatarsal Bursa	228
	References	230
19	Interventions for the Thoracolumbar Spine - T. EKİZ, L. ÖZÇAKAR	233
.1	Introduction	233
.2	Facet Joint	233
.3	Nerve Root	241
.4	Medial Branch	242
.5	Cluneal Nerve	242
	References	245
20	Sacroiliac, Caudal and Coccyx Injections - K. MEZIAN, K. SOBOTOVA, A.J. ABDUSALAM, L. ÖZÇAKAR	247
.1	Introduction	247
.2	Sacroiliac Joint	247
.3	Caudal - Epidural	248
.4	Coccyx	253
	References	255
21	Pelvic Injections - D. PALAMAR, K. AKGÜN	257
.1	Introduction	257
.2	Piriformis Syndrome	257
.3	Pudendal Neuralgia	259
.4	Border Nerve Syndrome	262
	References	267

SECTION 3 - SPECIAL PROCEDURES

22	Miscellaneous Interventions of the Trunk and Regenerative Medicine - A. M. ULAŞLI, G. AYDIN	271
.1	Introduction	271

.2	Diaphragm	271
.3	Thoracic Paravertebral Block	274
.4	Intercostal Nerve Block	275
.5	Quadratus Lumborum and Psoas Major	277
.6	Regenerative Medicine	279
	References	282
23	Prolotherapy - A. PICCOZZI, L. TOGNOLO	285
.1	Introduction	285
.2	General Principles	286
.3	Shoulder	287
.4	Knee	288
.5	Foot and Ankle	290
	References	293
24	Extracorporeal Shock Wave Therapy - N. BAROTSIS, M. DE MUYNCK	297
.1	Introduction	297
.2	Physical Properties	297
.3	Indications, Contraindications and Scientific Evidence	298
.4	Ultrasound Guided ESWT	298
	References	301
25	Radiofrequency Ablation - M. KARKUCAK, İ. BATMAZ	303
.1	Introduction	303
.2	Suprascapular Nerve	303
.3	Genicular Nerve	304
.4	Medial Branch of the Primary Dorsal Ramus	306
.5	Inferior Calcaneal Nerve	308
	References	310
26	Minor Surgical Procedures - A. BHARGAVA	313
.1	Introduction	313
.2	General Principles	313
.3	Dupuytren's Contracture	315
.4	Carpal Tunnel Release	316
.5	De Quervain's Disease	317
.6	Trigger Finger	317
.7	Compartment Syndrome	317
.8	Gastrocnemius Release	318
.9	Achilles Tendon Repair	318
.10	Plantar Fascia Release	319
.11	Tenotomy	319
.12	Foreign Body Removal	319
.13	Conclusion	320
	References	320
27	Follow-up After Interventions - G.Y. PARK, D.R. KWON, H.K. CHO	323
.1	Introduction	323
.2	Muscle and Tendon Anatomy	323
.3	Muscle and Tendon Ultrasonography	324
.4	Imaging After Interventions	325
	References	330

Video list

The icon in the text indicates
the videos available in the reserved area

Chapter 5

5.1 - Squamous suture

Chapter 9

9.1 - Suprascapular nerve

9.2 - Median nerve

9.3 - Posterior interosseous nerve

Chapter 10

10.1 - Lateral femoral cutaneous nerve

10.2 - Sciatic nerve

10.3 - Tibial nerve

10.4 - Sural nerve (neuroma)

10.5 - Common peroneal nerve

10.6 - Superficial fibular nerve

Chapter 12

12.1 - Gastrocnemius muscle

12.2 - Gastrocnemius muscle

Chapter 13

13.1 - Sternocleidomastoid muscle

Chapter 14

14.1 - Long head of the biceps tendon sheath

14.2 - Subdeltoid bursa

14.3 - Olecranon fossa

14.4 - Carpometacarpal joint

14.5 - Interphalangeal joint

Chapter 15

15.1 - Hip joint (anterior recess)

15.2 - Tibiotalar joint

Chapter 16

16.1 - Dynamic imaging of the temporomandibular joint (longitudinal plane)

16.2 - Dynamic imaging of the temporomandibular joint (transverse plane)

16.3 - Sternoclavicular joint

Chapter 17

17.1 - Subacromial subdeltoid bursa

17.2 - Supraspinatus tendon

17.3 - Olecranon bursa

17.4 - Ganglion cyst (at wrist)

17.5 - 1st extensor compartment sheath at the wrist

17.6 - Distal flexor pulley of the finger

17.7 - A1 pulley of the finger

Chapter 18

18.1 - Iliopsoas muscle-tendon

18.2 - Adductor longus muscle-tendon

18.3 - Distal iliotibial band

18.4 - Prepatellar bursa

18.5 - Infrapatellar bursa

18.6 - Medial collateral ligament of the knee

18.7 - Medial collateral ligament of the knee

18.8 - Achilles tendon

18.9 - Retrocalcaneal bursa

18.10 - Retrocalcaneal bursa

18.11 - Medial head of the gastrocnemius muscle-tendon

18.12 - Plantar fascia

18.13 - Morton neuroma

18.14 - Morton neuroma

Chapter 20

20.1 - Proximal sacroiliac joint

20.2 - Distal sacroiliac joint

20.3 - Coccygeal region

Chapter 21

21.1 - Piriformis muscle

21.2 - Piriformis muscle

21.3 - Pudendal nerve

21.4 - Pudendal nerve

Chapter 22

22.1 - Intercostal muscle

Chapter 23

23.1 - Anterior talofibular ligament

Chapter 27

27.1 - Common extensor tendon

27.2 - Supraspinatus tendon
